MAKING YOUR JOB EASIER

## CARGOVAN - 650 SERIES

- The internal van lift.
- Low-capacity, compact, and internally mounted, the 650 series is the ideal liftgate for lightweight van applications.
- 650 series models fold and store parallel to the side of the van or flat against the inside of the rear door.
- Fold-away interior mount offers two secure storage positions and easy access to the rear of the van.
- Driver safety and quick, small parcel deliveries are greatly improved, as the rear door is still accessible.
